

2. Make a loo roll bird feeder

This is messy fun kids will love to get stuck into. And it will help them learn about the birds in your neighbourhood.

You can make this simple feeder with items you probably already have at home:

- 1 Smother a cardboard tube in peanut butter (no added salt and sugar versions are suitable for birds).
- 2 Roll it in bird seed and thread some string through the hole.
- 3 Tie it up in your garden where birds will feel safe eating.
