Dear Mary Mother to all of us in the
World

Thank you for making the world
and everything so we can stay
alive. Thank you for looking after my
grandad in Heaven and keeping him
safe. Please can you help me to be
stronger so I can remember the nice
thing that we both had. Instead of me
saying Mary, I pray that I will have
your spirit in others, so I can help
them spread love and joy to others so
I can make them happy! Please can you
keep my Teachers, Friends and school healthy,
safe and joyful. Thank you for your
amazing son and trusting God. Can you
keep everyone safe from the coronavirus?

My Special Prayer to Mary Our Mother

Dear Mary,
Please look after those who
leave their families to go to
war.
Give them strength to be happy.
Determine them to serve and protect
their country.
May they be safe and healthy,
comfort their souls when they
feel sad and lost.
Show them your light and love
and let them return home
to their children and wife.
Amen.

Oliver
