Dear Parents,

Behaviour Policy and Procedures

Within school we have been working hard to update our Behaviour Policy and Procedures so that it reflects St Michael's behaviour code for learning, behaviour conduct, our team point awards and our procedures/systems within our school. We are pleased to say that this document is now live on our school website under the Key Information section, Policies.

Myself and Miss Mawson would like to invite you to a parent consultation meeting on Tuesday 12th December at 2.30pm in school. This will be your opportunity to share your thoughts and views about our policy.

The policy already reflects many of the procedures we follow within school and our embedded practice. Over the coming weeks, we will be talking to our school council and carrying out pupil voice surveys to ensure our pupils' thoughts are also being reflected. Staff will also be involved in the consultation process. The pupils and staff were involved in each step of this new policy – for example agreeing the five behaviours for learning and five for conduct etc.

Our governors are also being consulted in the process and if possible will also be represented at the consultation forum on Tuesday 12th December.

Whilst the Behaviour Policy and Procedures within school is my responsibility as headteacher to write, review, update and approve, I hope all stakeholders will take this opportunity to share their thoughts during this consultation period.

I look forward to hearing your thoughts and the ideas of our children and my staff team in the coming weeks.

Kind Regards

Lorna Smith
