Dear Parents

Adverse Weather Conditions

Tomorrow the forecast is for very strong winds and an amber weather warning is currently in place. As a school we will continue to monitor the situation. If things worsen we will send any updates out by 7.30am tomorrow morning via text.

We intend to be open as normal but do advise that those that feel uncomfortable travelling in adverse conditions should not travel. You and your family's safety is of paramount importance.

Please contact the school office in the morning if this applies to your family and the appropriate attendance code will be applied to the register.

Kind regards

Lorna Smith
