DEAR PARENT

Dear Parents,

Welcome to St Michael's CE Primary School and welcome to Reception Class.

It has been an absolute pleasure to see how confident the children have already been coming into school and we are all enjoying to get to know each and every one of them.

Reception is such a key year in a child's schooling and we will endeavour to make this as happy for them and yourselves as possible. It is therefore paramount that we build strong relationships between home and school – please if you have any questions, worries or important things you need to share do not hesitate to catch me at the gate or contact me via the office.

Thank you for your support.

Janet McArdle
