21 April 2022

Dear Parents,

EXTRA-CURRICULAR CLUBS

Welcome back to the summer term at St Michael's. Our pupils have come back into school refreshed, looking great in their summer uniform and ready to learn. I am excited that as COVID restrictions have eased we are able to offer a range of extra-curricular club opportunities within school. Further clubs will be running next half term including netball and rounders and will include opportunities for our reception children too.

Attached to this email is a timetable of the extra-curricular clubs we will be able to offer after school this half term. If your child normally attends after school club and you require additional child care beyond the finish time of the extra-curricular club, please book this online using Lunch Shop. We have added an option to book after school club from 4.30-5.30pm.

To book your child on an extracurricular club, please use this link -

<https://forms.gle/XatrpJBfZMhRq1Lm6>

When all places have been filled, the link to that extra-curricular club will not be an option and it will show to be full. Places on extra-curricular clubs will be confirmed before Monday 25th April. Clubs that have a cost should be paid for at the first session or via the school office.

Due to limited places, pupils should only sign up if they intend to go to all of the sessions and are interested in the activity.

If you have any queries, please do not hesitate to be in touch.

Kind Regards

Lorna Smith
