QUIZ ME QUESTIONS YEAR 6

ENGLISH

- What is a mystery story, and what features make *The Woman in White* an effective mystery?
- How can an author use *show, don't tell*, descriptive vocabulary and sentence structure to create suspense and atmosphere?

SCIENCE

- How does light travel, and what happens when it hits a reflective surface?
- How does reflection help us to see objects, and how does light travel from an object into our eyes?

ST MICHAEL'S C of E PRIMARY SCHOOL

YEAR SIX

AUTUMN HALF TERM 2 2026

MATHEMATICS

- How do you simplify a fraction, and what makes two fractions equivalent?
- How do you add or subtract fractions with different denominators?
- How would you convert between different metric units of measurement, such as kilometres and metres or kilograms and grams? Can you give an example and explain your method?

DEAR PARENT

To help our pupils learn more and remember more, we are including a '***Quiz Me Questions***' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it to two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:-

Describe key aspects of what they have been learning

Recall key facts and knowledge

Explain how something works and if appropriate demonstrate their skill in this area.

Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.

Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

If you have any questions, please don't hesitate to contact me.

Mrs Shennan (Class Teacher)

HISTORY

- What was the Blitz, and why were children evacuated during the Second World War?
- What was rationing, and how did it affect the everyday lives of children and their families?
- How might the experiences of an evacuee have been different from those of a child living in a city during the Blitz? Can you explain why?

DT

- What ingredients can be used to make a burger patty, and what are the key steps in preparing it?
- How can different flavours, sauces and toppings be combined to create a tasty burger?

RELIGION AND WORLDVIEWS

- What is Advent, and how do Christians use this time to prepare for Christmas?
- Why is Christmas an important celebration for Christians?
- How can Christians show hope, peace, joy and love during Advent and in their everyday lives?

FRENCH

- How do you ask someone when their birthday is and answer the question in French?
- Can you ask a partner their birthday in French and respond with a full sentence giving your own birthday?

MUSIC

- What does dynamics mean in music?
- What does pitch tell us about a sound?
- What is texture in music, and how can it be described?

COMPUTING

- What is a search engine, and how does it help us find information online?
- Can you name two ways to communicate using digital technology?

PE

- **Volleyball:** Can you explain how to serve, pass and work as a team to keep the ball in play?
- **Gymnastics:** How can you demonstrate balance, control and precision when performing a gymnastics sequence?

- What makes each of us unique, and why is it important to celebrate our differences?
- What are stereotypes and prejudice, and how can they lead to bullying or exclusion?
- How can we show empathy, respect and inclusion to help everyone feel valued and accepted?
