Ron buys 2 more stickers.
How many stickers does Ron have in total?

SCIENCE

Animals including Humans

What 3 things do animals and humans need to survive?

Can you name 5 adult animals and their babies e.g., fox and cub?

Which animals look very different from their parents when they are born?
How do humans and animals change as they grow?

How do humans stay healthy?

DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz Me Question' grid to help you ask your child about what they are and have been learning at school.

We hope the questions will help you engage in meaningful chat with your child about their learning at school and encourage them to do a variety of things including: -

- Describe key aspects of what they have been learning
- Recall key facts and knowledge
- Explain how something works and if appropriate demonstrate their skill in this area
- Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding
- Make links with what they already know, have experienced and are able to do

We hope you enjoy talking with your child about their learning in school!

Best Wishes,

Miss Hogarth

DT

Puppets

Do you have a favourite puppet at home?

Can you name different kinds of puppets?

Can you think of any television programmes that use puppets?

MUSIC

Animals: call and response

What are dynamics in a piece of music?
