Year 1 - Quiz Me Questions – Autumn 2

SCIENCE

What materials are around us?

How many different types of materials can you find around your home?

Can you explain to someone else the difference between an object, the material it is made from and the properties of that material?

HISTORY

Why do we celebrate bonfire night?

Who was the leader of the Gunpowder Plot?

Why did the plotters want to kill King James I of England? How did they plan to do it?

MUSIC

My favourite things: Keeping the pulse

Can you listen to other types of music and listen for the beat?

ENGLISH

What do we need to include at the beginning and at the end of a sentence?

What is your favourite Julia Donaldson story? Can you share a story you love with your family? Maybe act out one of the stories to your friends in the classroom.

RELIGION AND WORLDVIEWS

Why do we give and receive gifts at Christmas?

Can you talk about the first Christmas and what gifts the Wise Men brought for Jesus?

Do you know the story of St. Nicholas?

PE

Mindful movement – What moves can you remember? Why not practise some of the moves at home?

Fitness – How does your heartbeat change when you exercise?

PSHE

Celebrating Difference

Can you tell me something about yourself that makes you different, special and unique?

DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz ME Question' grid to help you ask your child about what they are, and have been, learning at school.
We are including different types of questions and limiting it to two or three for each curriculum area.

MATHS

Can you practise your number bonds?

What do you need to add together to make 7? Can you find different ways of making 7? Maybe you can find different ways of making other numbers too?

Can you write number sentences using the addition symbol, the subtraction symbol, and the equals symbol?

DT

Plant power ; healthy snacks

What food can we eat to keep our bodies healthy and strong?
Can you name 3 different fruits and vegetables?

Computing

Technology around us

What technology can you spot around your home or out in public? How does that piece of technology help people?
