

QUIZ ME QUESTIONS YEAR 5

ENGLISH

What is a sloth?

A sloth is a mammal found in the rainforests of Central and South America. There are two types of sloth – two-toed sloths and three-toed sloths.

Appearance

Sloths have long limbs, round heads and tiny ears. They have long, shaggy hair for climbing trees and hanging from branches. Their fur often has a green tinge caused by the algae that grows on it. The algae can help camouflage the sloth, and hide it from predators such as eagles, snakes and jaguars.

Habitat

Sloths are arboreal animals – this means that they spend most of their time in trees. They eat, sleep and even give birth hanging upside down from branches. Sloths only come down from the trees to go to the toilet!

Diet

Sloths mostly eat leaves, twigs, buds and shoots, but they have been known to occasionally eat insects and bats. They have an extremely slow digestive process which takes up most of their body's energy (one leaf can take a sloth 30 days to fully digest!).

Did you know...?

Three-toed sloths can swim. They have a long, thin tail that they use to grip onto things. They are also very good at climbing trees and can move up to three times faster on the water.

Name 4 features of a non-chronological report

- What is a haiku?
- How many syllables are in a haiku, and how are they divided?

ST MICHAEL'S C of E PRIMARY SCHOOL

YEAR FIVE

AUTUMN HALF TERM 1 2023

SCIENCE

Who was Sir Isaac Newton?

Can you give examples of high and low friction?

What is water resistance?

Explain the effect of different sized parachutes on air resistance.

MATHEMATICS

Here is a date written in Roman numerals.

XXI / IX / MMXV

What day of the month is shown? What month is shown? What year is shown?

How do you write "1,000,000" in words?

Show an adult how to use the column method to work out additions and subtractions.

What does an inverse operation do?

DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz Me Questions' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:

Describe key aspects of what they have been learning.

Recall key facts and knowledge.

Explain how something works and if appropriate demonstrate their skill in this area.

Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.

Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

If you have any questions, please don't hesitate to contact us.

Mrs Lambert and Mrs Shennan (Class Teachers)

HISTORY

1. What does Anglo-Saxon mean?
2. What famous battle took place in 1066?
3. Who was Alfred, and why was he so great?

ART

1. In Chinese Art, what do the 4 gentlemen represent?
2. What does the dragon symbolise in Chinese culture?
3. Can you discuss what you have noticed about traditional Chinese Art? How is it different to Western Art?

PSHE

- Can you set yourself some personal goals?
- Can you discuss your rights and responsibilities as a British citizen?
- Can you explain what democracy is and why it is important?

RELIGION AND WORLDVIEWS

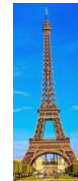

What is the story of the Bible?

What did God create?

What are the 10 commandments?

FRENCH

Tell me something about a park or garden in Paris you have learned about.

Tell me what this sentence means: *Dans le jardin il y a un lapin bleu et une abeille jaune.*

MUSIC

Listen to a classic rock song...

Discuss what you like/dislike about it, how does it make you feel?

COLLECTIVE WORSHIP

Fruits of the Spirit

Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self control.

1. Which 3 of the fruits of the spirit do you think are the most important and why?
2. Can you tell me a Bible story which shows one of these values?

PE

Can you demonstrate the different types of passes in netball?

Demonstrate some of the yoga moves you have learnt to a member of your family.

COMPUTING

1. Can you explain what a vector drawing is?
2. How do vector drawings differ from paper-based drawings?
3. Do you prefer creating vector drawings on the computer or on paper? Discuss the reasons why.
