

Year 1 - Quiz Me Questions

SCIENCE

Animals including Humans

Go on a walk, notice the nature around you. What senses are you using (sight, sound, touch, smell, taste)?

Notice – which parts of your body do you use to do different activities like walk, look, touch?

Do you have a favourite Colin McNaughton story? Can you share it with your family and friends? If you have a book at home you might want to bring it in to share with the class.

COLLECTIVE WORSHIP

PERSEVERANCE

- What does it mean to endure?
- What makes endurance hard?
- Who helps us?
- What thoughts make endurance easier or harder?

MUSIC

Listen to your favourite song, can you find the pulse and clap the rhythm?

Can you sing the chorus and add actions?

ENGLISH

Share a story with someone special:

Can you read the speaking parts with expression?

Who is your favourite character from the story?

Can you talk about the setting of the story (where the story happens)?

Tell your grown up your favourite bit and least favourite bit of the story.

RELIGION AND WORLDVIEWS

Why was Joseph a Bible hero?

Can you act out some of the story to a friend or relative? Can you talk about the type of person Joseph was? What things did he do in his life?

PE

Net and Wall – Can you think of any sports you use a net or wall?

Athletics - Why is it important to be honest and play to the rules?

PSHE

Relationships

How do you like to greet your friends?
Talk to a grown up about the qualities that you have as a person and as a friend to others.

MATHS

Multiplication and Division

Can you count in 2's to 20? Try using socks!

Can you count in 5's and 10's to 50? Try using your fingers/hands!

Can you write all the numbers 0-50?

HISTORY

What were seaside holidays like in the past?

What type of transport made seaside holidays more popular in the Victorian times?

Can you think of how seaside holidays have changed since the Victorian era?

ART

Can you make some 3D structures using different types of paper at home?

What structures and sculptures can you spot when you are out and about?

COMPUTING

Pretend that your friend or somebody in your house is a robot. Ask them to close their eyes and call out some instructions for them to follow around the garden.
