"Due to the fact that the inside of the toaster is very hot, your toast is ready in minutes."

Because	Consequently	As a <u>result</u>
Therefore	As	So
So that	Due to	This leads to
This causes	Due to the fact	As a <u>consequence</u>

## SCIENCE

### Rocks and Soils:

- Can you name three different types of rock? (e.g. marble)
- What does **permeable** mean?
- Can you describe how **fossils** are formed?
- Can you find 6 different rocks and sort them into groups by the **properties** you can see?

## DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz ME Question' grid to help you ask your child about what they are, and have been, learning at school.

We are including different types of questions and limiting it to two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:

Describe key aspects of what they have been learning.

Recall key facts and knowledge.

Explain how something works and if appropriate demonstrate their skill in this area.

Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.

Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

"EVERYTHING YOU DON'T  
KNOW IS SOMETHING YOU  
CAN LEARN"

## COMPUTING

How can I sort and present information using databases?

- Can you name three **attributes** of this character?
- 
- Can you write three yes/no questions for animals?
  - What is **data**?

## RELIGION AND WORLDVIEWS

How did Jesus change lives?

- Can you tell me about the story of the paralysed man?
- What changes might happen in peoples lives?
- How does it feel when things change?
- How can people be helped to make positive changes?

## COLLECTIVE WORSHIP

LOVE

“Love is patient and kind, .... love never fails” 1 Corinthians 13:4-8

- What does love feel like to you?
- Can you think of some words of your own to finish the sentence ‘love is.....?’
- What could you do to help spread love and kindness to others?

## DESIGN AND TECHNOLOGY
