ST MICHAEL'S C of E

YEAR FIVE

SPRING HALF TERM 1 2023

## SCIENCE

- Can you describe the movements of the Sun, Earth and Moon?
- How many days does it take the Earth to orbit the Sun?
- What are the phases of the moon?
- How does the Earth's tilt create the seasons?

## MATHS

- Can you show multiplication and division using a formal method?
- How can estimating your answers be helpful?
- Can you explain what a mixed number and an improper fraction are?
- How do you find a fraction of an amount?

## DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz Me Questions' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it to two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:

Describe key aspects of what they have been learning.

Recall key facts and knowledge.

Explain how something works and if appropriate demonstrate their skill in this area.

Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.

Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

---

If you have any questions, please don't hesitate to contact us.

Mrs Lambert and Mrs Porter (Class Teachers)

## HISTORY/GEOGRAPHY

- Can you locate where the Maya lived on a world map and the modern day countries and cities that are there now?
- Can you describe some of the Mayan Gods?
- What is the popular game that the Maya people played?

## DESIGN AND TECHNOLOGY

- How many parts of a bridge can you name?
- Can you find out where there are suspension bridges in the UK.
- What are they called and what do they span?
- Challenge yourself to complete the bridge building tasks in this game: <https://www.crazygames.com/game/construct-a-bridge>

## PSHE

- What job would you like to have when you grow up? Explain why.
- What might you need to do to be able to achieve this dream/goal?

## RELIGION AND WORLDVIEWS

- Can you name different religions and what their places of worship are called?
- What are the similarities between the places of worship within different religions?
- Share with your family, your thoughts about your own 'special places'. Find out about any places that are special to them and how they make them feel.

## FRENCH

- Can you give me your name and age in French?
- Can you read these words aloud and say what they mean?  
*une abeille, un escargot, une coccinelle, un ours bleu, un lapin gris*
- How many colours can you say in French?

## MUSIC

Listen to the track 'Make you feel my love' by Adele. How does it make you, and those you are with, feel?

## COLLECTIVE WORSHIP

### LOVE

*"Love is patient and kind, .....love never fails"* 1 Corinthians 13:4-8

What does love feel like to you?

Can you think of some words of your own to finish the sentence 'love is.....?'

What could you do to help spread love and kindness to others?

## PE

- What is yoga good for – both physically and spiritually?
- Demonstrate some of the yoga moves you have learnt to a member of your family. Remember to explain each position carefully.

## ART

- Can you explain what sculpture is?
- What materials could you use to create a sculpture or 3d piece of work?
- Can you name any famous sculptors and their works?
- Consider how a bird builds its nest and what materials it may use.
