ST MICHAEL'S C of E
YEAR 4
SUMMER TERM 1
QUIZ ME QUESTIONS

ENGLISH

Reading

Make a list of new words from your reading and write a definition for them.

Writing

Write a letter to persuade someone to help you to improve the local area.

Spellings

Write sentences to including the week's spelling making sure it is correctly punctuated.

DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz ME Question' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:

Describe key aspects of what they have been learning.

Recall key facts and knowledge.

Explain how something works and if appropriate demonstrate their skill in this area.

Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.

Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

SCIENCE

Knitted Knowledge:

Explain what a circuit is and how you can tell if it will work.

Identify a range of electrical sources that use mains electricity.

Super Skills:

Demonstrate how to make a complete circuit that could light a bulb.
