## RECEPTION TRIP TO SUSAN'S FARM

I have organised a trip for the children to return to Susan's Farm in Houghton on Tuesday 24 May. The children will spend the day at the farm and will be preparing, cooking and then eating their own lunch. They will then discover where their food has come from and explore the wild flower meadow and meet some of the new additions to the farm.

The children must bring wellies, a waterproof suit /jacket and possibly a sun hat / sunscreen depending on the weather. They may wear their own clothes but bear in mind they may get muddy and so please do not send them in anything new!

They will not need a lunch or a water bottle for the trip.

If your child needs medication (inhaler for example) please send these in on the day in a named envelope.

The cost for this is £10 each (Pupil Premium children do not need to pay). You may pay via Lunchshop or by sending your voluntary contribution in a named envelope. Please return the slip below as soon as possible.

Thank you  
Mrs McArdle  
Reception teacher
