YEAR 4 VISIT TO NESTLE

Dear Parents,

For the last 5 weeks, Year 4 have been working with Nestle to learn about business and set up their own. They have learnt all about social enterprises, setting up a business, how to read a spreadsheet, how to promote their business and most importantly how to work well as a team.

Their enthusiasm has been amazing and it was lovely to see every child eager to be interviewed for a position within our class company. Callum and Laura were amazed by their confidence and positivity. They were so impressed by the job application letters the children wrote, that they asked to take a photocopy of every single letter to take back to Nestle and show their colleagues.

On Wednesday, 24th May, the children have been invited to visit the factory. They will be working in the board room and finding out more about Nestle and how businesses run.

Please could you complete and return the slip below to give your child permission to visit the factory.

Many thanks

Mrs Atkinson
