

3 November 2021

Dear Parents/Carers

Hope you all had a lovely half term break? This term in Lion class, we are going to Herons Swimming Pool on a Thursday morning for our swimming sessions. We will have an instructor that will be running a session for us. Please can you send in a swimming kit, towel and a snack every Thursday.

We do have the opportunity to access the Forest School site on a Friday too. We will not be going every week, I am afraid, but it is an option for us. I will give you enough notice to ensure you can prepare a packed lunch for your child if we do go to the site.

We are working on communication and peer to peer relationships and also focusing on our handwriting, reading, phonics, maths skills which will be functional to everyday life. We will also be carrying out Science experiments too which will be looking at the cause and effect.

Another great opportunity this term; we have Christ Church University students coming to our class and running drama sessions which will lead to a performance at the Gulbenkian Theatre in December. I will be sending more information about this nearer the time.

Really looking forward to the build up to Christmas and having a lovely term with Lions.

Kind regards

Simon Bryant
Lion Class Teacher
