Dear Parents/Carers

**Re: Residential Trip - 11 – 15 July 2022**

Due to unforeseen circumstances, the Residential trip for your child has been changed from the Isle of Wight to Centre Parcs Elveden Forest.

The cost of the trip and the dates remain the same.

A polite reminder to please settle payments for the residential trip by Friday 27 May.

Overleaf is a suggested kit list of suitable clothing and footwear to bring so you can begin to purchase any items for your child should you need to.

We will be holding an information meeting for parents and carers in term 6 to provide an itinerary of activities throughout the week and to answer any questions or queries you may have.

Best wishes

## **Spending Money**

There are a wide range of shopping facilities at the venue so please feel free to send in some money, please clearly label this in a wallet/purse or envelope though and let an adult know your child has it! Also, some loose change for vending machines/arcades would be appreciated.

This list is by no means definitive; however, it does give the basics. When it rains it can be very muddy therefore old clothes that you don't mind getting muddy/wet are vital. Any valuables (e.g. mobile phones are brought at your own risk as are personal stereos, electronic games etc).
