July 2022

The latest news written by pupils at Canterbury Academy and Spires Academy Satellite Classes

Our trip to Macknade, Faversham.

We visited Macknade this is a brief overview of aspects of the business.

We were given free drinks and tried different fruit and cheese.

Macknade Fine Food is the South East's leading food hall, deli, butchery and café, built on a 170 year history of food, farming and retailing in Faversham.

By Elisha

Eco Club

Eco club students have been working really hard in the garden, and we have grown some amazing vegetables, and learned how to look after the area and the creatures it attracts.

This apple tree was planted by pupils as part of the Platinum Jubilee Celebrations back in June, taking part in the Queens Green Canopy Initiative.

Secondary Football Tournament

The football tournament was great fun! We played little matches that lasted 7 minutes. I scored 4 goals in one match and got a medal! My team also got to the semi-final!

By Charlie (S1A)

An original film, by S1A

We have all been working with Tim on a fantastic and original film production – we all created the characters, script, set and sound effects.

Please find it using this link to our class web page and let us know what you think! <https://st-nicholas.kent.sch.uk/secondary-department/KS3/senior-1a>

Turner Contemporary

This term S2A and S3A have enjoyed visits to a number of places in Kent. We enjoyed a trip to the Turner Gallery in Margate, to see the work of Larry Achiampong, and play some of his favourite video games. We caught the train from Canterbury West and enjoyed the travelling as much as the trip.

Highlights from Term 6, By Maddie S1A

I loved Sports Day – I was in the 200m relay race and we came 3rd!

The Jubilee Picnic with Canterbury Academy was great fun – it was nice to meet up with my friends and play and have lunch together.

We have enjoyed two trips this term, one to Wingham Wildlife Park and one to Quex Park!

Fishing Trip with the Masonic Fishing Charity

Dear Lee, Thanks for being my caster on the fishing trip on Thursday 9th June 2022. I really enjoyed 1: Getting my first and biggest fish. 2: Learning how to use the fishing rod. 3: And everything you did for me. From Hayden S2A.

Key Stage 3 pupils had the opportunity this term to go fishing for the day, as part of the Masonic Fishing Charity events across Kent. Pupils were able to use real equipment, enjoy a BBQ and learn a new skill.

What else have s3a been up to?

The class have studied the history of Rwanda linked to our class text and made presentations about the country. We have been investigating forces in science and made parachutes, boats and planes, investigating, gravity, friction and air resistance. The group really enjoyed visiting the home of Charles Darwin and walking in his footsteps around his house, Gardens and the sand walk.
