

S5B Mini- Enterprise Project

After our wonderful visit to the cement works in Blue Town, S5B have been very busy making our own majestic, cement toadstools. Some people think they would make a lovely Christmas present and a colourful addition to your garden in these cold grey months.

If you would like to purchase a toadstool please contact us at j.punton@stns.org.uk .

We can make bespoke toadstools if you would like to submit your own colour combinations.

They stand at approximately 35cm high.

We are offering these delightful fungi for just £5.00 each or 2 for £8.00 or 3 for £10.00 .

All proceeds go to the S5B well-being fund.
