

Social Communication/ASD Care Co-ordinator Clinic

Welcolme to our new telephone support clinic, available for families of children with social communication difficulties and/or Autism Spectrum Disorder diagnosis who have meet the criteria for this service under the Childrens Therapies team. This service is available to you until your child is in nursery with the appropriate support in place.

A Care Coordinator or Specialist Nurse Advisor will be available to provide support and advice, this may include;

- General support
- Coordination of care with other professionals and organisations
- Information on local groups and other agencies
- Support with DLA applications
- Information regarding charity grants
- Nursery planning support
- Referrals onto other agencies/services (where required)
