

H Block

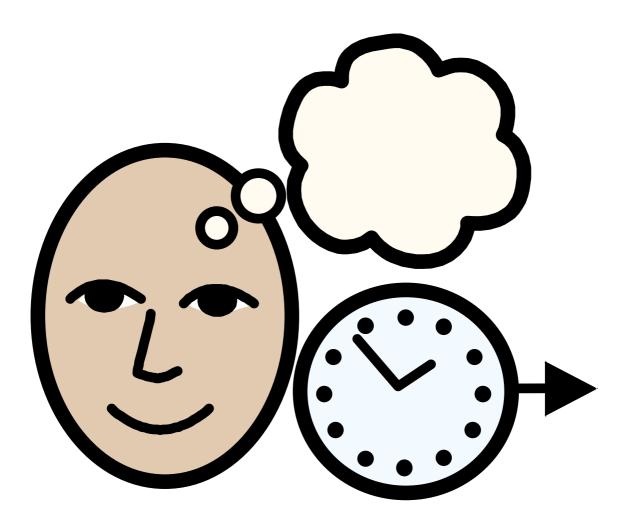

After the summer holidays I will be going to H Block.

H Block is within Canterbury College.

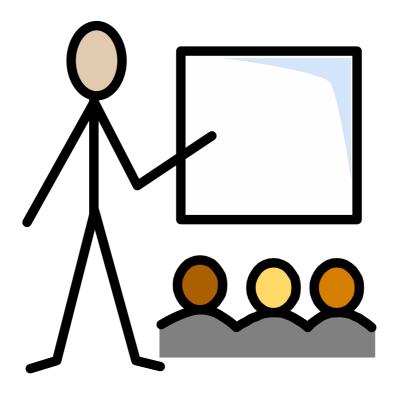

I will be going there with some friends that I know and there will be some new friends to meet.

This book will tell me what to expect at H Block.

There will be 4 lessons each day taught by H Block teachers. I will do lessons such as maths, English, art, construction, work experience, ceramics, ICT, travel training and sensory learning.

A free breakfast is available for students from 8am until 8:45am. At lunch time I can buy food and eat it in the refectory or take my packed lunch.

A typical day looks like this:

Arrive at 8:45

Lesson 1 - 9am - 10:30

Break - 10:30 - 10:45

Lesson 2 - 10:45 - 12:15

Lunch - 12:15 - 1:15

Lesson 3 - 1:15 - 2:15

Break - 2:15 - 2:30

Lesson 4 - 2:30 - 3:30

Finish at 3:30

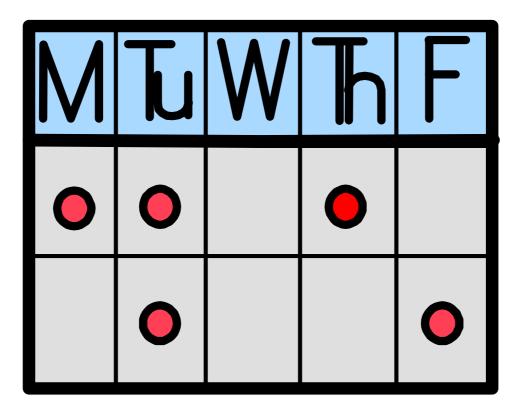

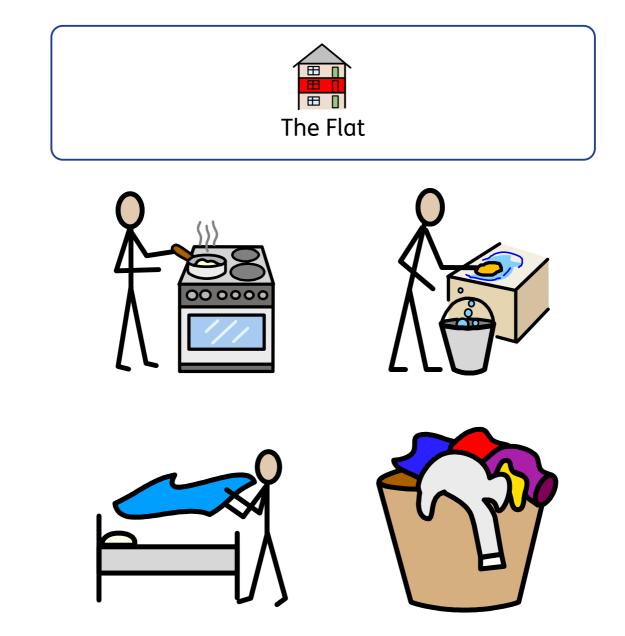

I will be given a lanyard, I need to wear this at all times when at H Block. I could have money added to my lanyard which I can use to purchase food or do printing with.

Timetable

I will be given a timetable which will show me what lessons I have, at what times and in which rooms.

I will have some lessons in the flat. I will learn things like cooking, cleaning, making the bed and doing laundry. These are important life skills.

I might be asked to work in the supported learning cafe. I will learn how to make drinks, clean equipment and serve customers.

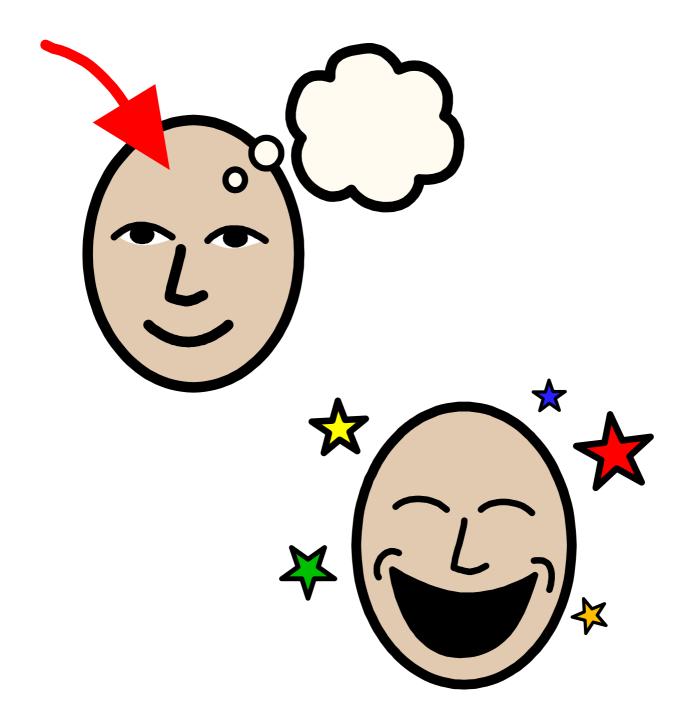

During break times I can make some choices; I can go to the student union, the Learning Resource Centre (L.R.C), the sports hall, the refectory or outside.

There will be H Block staff around to help me during lessons and at break / lunch times

I will have fun and learn lots at H Block
