## Making Sense of Autism

Gain a better understanding and awareness of autism and the way it affects children in schools.

This module is part of the AET Schools' Development programme and links to the school's Standards Framework documents. These should be referred to and used to as a school evaluation tool.

Developed by leading autism specialists

Up to date with the latest research

Enhances your CPD

Free resources and frameworks linked to Ofsted

Optional certification

### Who is this training for?

This is an awareness raising module for anyone working in your school. This includes teaching and support staff, office and ancillary staff, caterers, caretakers, transport staff and governors. The expectation is that most of these people will attend.

### What will you learn?

- Enhance your understanding and awareness of autism and how autism can affect children in schools
- Know the importance of understanding the individual child and their profile of strengths and needs
- Identify potential barriers to learning for autistic children
- Begin to make reasonable adjustments in the way you support autistic children
- Reflect on the information you need to collect for creating a one-page profile
