That other person
is autistic.
I enjoyed it so
much
learning different stuff

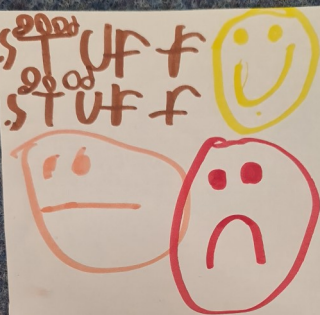

I've learnt that my
brother is unique
in some ways which
makes him different and
how to deal with his
meltdowns

I have enjoyed learning
about Autism!
I liked the snacks!

STUFF
STUFF

Learning in many different ways!
Laughing and learning with
Others

I ENJOY

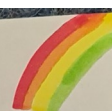

Our March Group

How things
work in their
brains.

learning more

The other
classes

I have enjoyed
talking about
what everyone's
siblings do and
how to look
after them.

I have enjoyed learning
about the other senses
that I didn't know about
before. I also enjoyed
learning about autism
