

Kent Proact-Scipr-UK® / Kent PROACT Network Training Charges

(from 5th July 2018)

Levels of training

There will be an expectation that any KSENT school wishing to be part of the Kent PROACT Network will provide annual training covering induction / proactive working practice issues for ALL staff that come into contact with the pupils – as this presents a known, predictable and potential risk to them whilst they are carrying out their duties (HSWA, 1974). This would be a minimum of a degree of theory, school practice and self-defence based interventions from 1.5 – 3 hours in length (average 2 hours in length).

Formal training programme:

- Induction - as described above, initial training (term 1) of service
- Introductory (6 hrs) - In 1st yr, Curriculum: values & beliefs. Law, H&S, PIs
- Foundation (6 hours) - Later in 1st yr, Curriculum: reinforcing above, more PI
- Refresher (6 hours) - Annual and 1 day: curriculum & new / refreshed PIs
- Practice session - As required short PS / audited PI training, with theory
- Bespoke - As approp full theory / PI training: person/class-specific

NB: During the next 18 months, if a KPSN school needs to buy in the support of instructors from another school to supplement their training levels, there will continue to be a cover payment of £200 per person (to be invoiced by / made payable to the host school) to recompense for the release of their staff and contribute towards their mileage provision.

Provision of Outreach & STLS support for mainstream schools – intro/found/ref

It is the responsibility of KSENT schools to support pupils with SEMH needs in their locality. Primary Schools within Kent have the right to join and be an associate part of the Kent PROACT Network. They will not have their own trainers and will need support from their local special school for (preferably) a small number of staff working with a specific pupil or pupils, following a full Training Needs Analysis / Audit of Need. The training costs should be in-line with the STLS Core Training Offer i.e. **£44 per person (inc. registration)** or, for a larger group, bespoke costs could be explored. The delivery of charged training will be a way for individual Network schools to re-coup their annual Instructor Re-certification costs. For an
