As always, I will do my best to support you through this period but of course the online sessions are new for us all. Therefore, I aim to have fun and some social interaction in the first place and of course we will do our best to keep up with; and learn some new skills :)

“How to Zoom to see each other SOON?”

I have created a zoom account and allocated meeting schedules for group sessions from the 14th of April!!!

If you are in Bear, Orangutang, Rainbow fish or Tigers Class; you will receive an email invitation from me each week via the website for the forthcoming session. You can opt to join in and see me or just practice the scheduled weekly program if you prefer. Video link to how to join:
