We are very excited to go horse riding on Mondays this term. The team at Cobbes Meadow are lovely and it is a wonderful experience for the children!

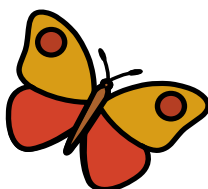

We are also very lucky to have a whole day of forest school every Tuesday with Alexis, our forest school Teacher.

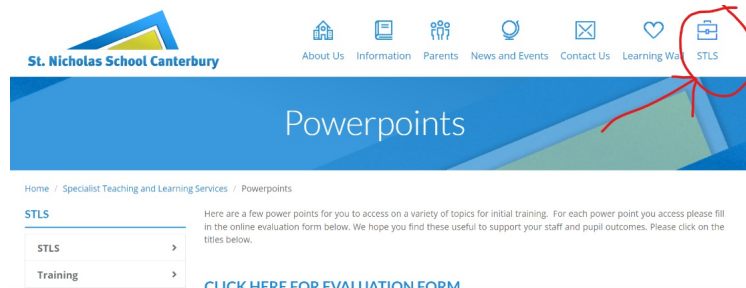

We are planning a trip to see the animals at Wingham Wildlife Park in Term 5. A letter will be sent out nearer the time.

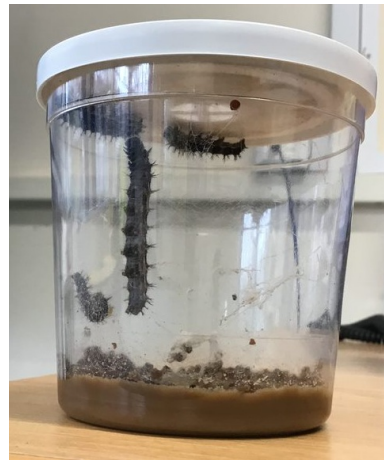

We will have our student teacher, Cicely, with us from 9th May for 6 weeks. She has already formed lovely relationships with all of the children so we are looking forward to spending some more time with her!

There are wonderful powerpoints and advice sheets available on the school website under STLS. Please do have a look as there might be something you find useful!

Term 4 learning highlights!

Hopefully we will emerge after Easter!
