As these are extracurricular clubs we would please ask that children are not only keen to attend but will also attend on a regular basis. This will enable us to deliver high quality activities without being affected by fluctuating numbers. These clubs are regularly oversubscribed, and if your child is on the list and not using the facility we will allow a child on the waiting list to take their place.

Please book into the clubs via the MCAS app. Payment must be made by Monday 28th April. If your name was on a waiting list for a club from last term, a place has been booked in this club. Should you wish not to take this place, please let Anne Dawson know immediately. In the case of it being a paid club, the payment will appear in Outstanding Payments on MCAS.
