This week at school...

As we get closer to the finish line there is plenty going on at school. This week we had our new reception and pre-school children for an induction session, while some of our year 6 pupils had their induction day at High School. Our photographer Russell Lewis was here on Monday and I think you'll agree took some lovely photos of the classes and whole school, the email with the QR code to access and purchase these was sent yesterday. The local vicar Mark Long joined us for an assembly this week. We had the Hereford School Games on Wednesday and lots of our KS2 cohort took part in hockey, rounders or skating in a very enjoyable day. Today our year 6's had their special fish + chips lunch, provide by the PTFA. This was the final week of clubs - with just 1 additional Go Green club on Monday to make up for a missed week. Please be advised that this session may involve water and the children might be a little soggy at pick-up after Go Green.

Friendliness

Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress. We have set our target this year at 97% again, but can we beat last year and get higher? Year to date - 96.5%

Sports Day

7th July 9am

We wish to invite parents of all children in school, Preschool to Year 6, to join us in school for our annual Sports Day. This is a calendar staple and not to be missed! There are games and races, and you will have the opportunity to watch your children participate in a wide range of activities across the morning.

Join us for our Sports Day.

Our sports day is always a wonderful event shared with parents.

We start the day with the children competing in various activities, based around a theme, where they will score points for their Owl House. When the children have completed the circuit of activities we have our races, where the children continue to complete on behalf of their House.

The PTFA have a refreshment stall, where there is coffee & tea, and other drinks along with cakes available for purchase.

We invite parents attending to bring a picnic lunch (and a blanket) if you wish to have lunch with your children on the playing field (weather permitting).
