## This week at school

On a damp and murky Thursday afternoon some of our Oak Class boys took to the football pitch to compete in the County North tournament. We played 4 matches and only lost one. As always our pupils demonstrated skill and athleticism on the pitch alongside a positive attitude and good teamwork.

On Wednesday evening we welcomed KS1 children back to school in the evening for a bedtime story event. All those who attended really enjoyed their story and sharing it with their friends and a nice hot chocolate - set them up nicely for bedtime.

### ★ Volunteers Needed for Friday Morning Playgroup! ★

We're looking for a few extra helping hands to support our school playgroup on Friday mornings. You don't need to commit every week—joining us just once or twice a month on a rota would make a huge difference.

If you enjoy spending time with little ones and can spare a morning now and then, we'd love to have you on board. Your support helps keep this lovely group running smoothly for our children.

Thank you for considering it! ❤

## Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress. We have set our target this year at 97% again, but can we beat last year and get higher? Year to date - 96.9%

## Next Week

Oak class have a trip to Birmingham Symphony Hall on Tuesday - pupils need to be here ready to depart at 8.30am. Friday is the PTFA organised valentines disco. Then half term!

## Stars of the Week

## Little Owls Playgroup

Playgroup continues to be well attended, and it's wonderful to welcome visitors every Friday morning 9:30-11:30. All 0-4 year olds and their parents are welcome to come and 'stay and play' and explore the activities we have in our wonderful outdoor area and large indoor space. Tea, coffee, cake, healthy snacks and crafts will be provided. £2.50 for parent and child, £1 for every extra child. Anyone who would like to volunteer to help at the playgroup on an informal basis, please let Mrs Holder know.

## Recycling Scheme

Stoke Prior have started recycling with TerraCycle.

By contributing, you help our school raise funds and teach the importance of recycling.

The money raised from our recycling goes straight to our school as TerraCycle awards us points which we can redeem for donations.

The recyclable waste needs to be separated into different coloured bins and these bins are placed by the school gates for your convenience. Each bin is clearly labelled on which items are suitable for recycling.

Green Bin: Bread wrappers

Blue bin: Electrical cables/wires

Red Bin: Pringle tubes

Yellow Bin: Cracker, biscuit & cake wrappers
