Friday Newsletter 14th March 2025

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress.

We have set our target this year at 97% again.

Attendance to date 97.20%.

This week at school

Years 1 & 2 had their final swim session this morning, enjoying some extra fun play time at the end. They are all a little tired, however they have been wonderful and made great progress throughout the two weeks. We had a strong contingent taking part in the Lucton Cross Country competition yesterday. Thank you to all the parents for your support and help with lifts. A magnificent well done to all our runners who did very well, with a special mention for Harrison who won a medal!

Request for resources

Go Green would like some bricks / stones to create an edge for a flower bed.

Do you know someone who could make a gate? The gate in our Monkey Puzzle outdoor area is suffering the ill effects of old age. Could you please let Mrs Dawson know if you do. The gate is slightly smaller than the standard ones available online, it is 87cm wide and 90cm high.
