This week at school

SATs week is out of the way now, and our year 6s have thoroughly enjoyed their cooked breakfast each morning. Willow class enjoyed a morning of outdoor activities and rain dodging on Wednesday morning in lieu of a trip to forest school. KS1 did get to the forest on Thursday morning, where they learned how to start a fire and they cooked popcorn.

There is a maths morning on Tuesday, and parents are invited to school to share in some maths and learning activities with the children.

★ Little Owls Playgroup ★

We would really like some volunteers for our Little Owls Playgroup, to help set up and clean up - and welcome people as they come in. It takes place every Friday morning during school term. If you can volunteer, even once a month, we would love to hear from you. Please contact Mrs Holder or Anne in the office.

Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress. We have set our target this year at 97% again, but can we beat last year and get higher? Year to date - 96.8%
