## This week at school

The regular routine of school returned this week, a full week of school with no weather warnings. On Wednesday Oak class had a day long workshop "Hands up for the Planet" where they explored ways in which we can be more sustainable. On Thursday we took part in the year 3 & 4 small schools football tournament in Hereford, where the boys thoroughly enjoyed a very damp afternoon of football and won all of their matches. A very well done all involved. Our after school clubs began on Monday - there are still places available in some, please let the office know if you are interested.

## Forest School

Please note Forest School sessions are not scheduled to resume for any class until after the half term, due to January and February regularly being very cold.

## Next Week

Lots of learning, and our year 6 cohort begin their targeted SATs revision. There are no special events scheduled. Go Greeners should please remember their wellies on Monday.

## Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress. We have set our target this year at 97% again, but can we beat last year and get higher? Year to date - 96.25%

## Stars of the Week
