This week at school

Welcome back everyone after what we hope was a fun filled and peaceful Easter break. It is always lovely to hear all the children's holiday news. We also welcome our Pre school children this week, and we have four new children join us. They have all settled in very nicely, and the pupils in reception are delighted with their new classmates. Our classes have all settled back into learning. Unfortunately we were unable to run Forest School for KS1 this week, but will resume next Thursday. Monkey Puzzle Class successfully set their butterflies free, to live in the wild on Thursday. Oak class are learning about Victorians and made gruel, which some children ate, others were less impressed! Willow class were creating works of art in the style of Jackson Pollock, some of the results could even be seen on clothing and in hair? Little Owls Playgroup is back, celebrating Earth week, making birdfeeders, fishing for rubbish and generally having lots of fun.

Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress. We have set our target this year at 97% again, but can we beat last year and get higher? Year to date - 96.9%
