This week at school...

Another week flies by in a flurry of activity and learning. Mrs Holder hosted our Reception parent for an information evening, several of our staff have refreshed their first aid training, and Oak Class had a trip to Bewdley. Bewdley Museum is hosting workshops on WW2, and the museum boast an air raid shelter amongst other interesting exhibits.

Our booking system for Stay & Play will revert to a day in advance of the club. Should something crop up, and you find you need this, please ring the office to book. It would be great if this could be booked a week an advance as it would greatly aid staffing and planning for our Stay & Play staff. Can I remind pre-schoolers that this facility should be booked each half term in advance, as there are different ratio requirements for this age group.

Our PTFA members and volunteers have been working hard, preparing for this evening's Late Summer Fete. I do hope the rain hanging around at the moment goes away, and everyone can enjoy being outdoors for the evening.

A couple of reminders - please do not park on the yellow lines outside school. Remember it is a road, and stay safe while dropping your children off and collecting. Remember when you leave school to drive slowly and carefully through the village, taking care of our community. 30 might be the limit but 20 is plenty!

Put your child's name on their uniform!

Value of the Month

Creativity

Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress.

We have set our target this year at 97% again, but can we beat last year and get higher? Year to date - 98.2%
