This week at school

We couldn't be prouder of our children at school. They have combined festive activities and productions, performed and learned and now are ready for a well earned break.

To our classroom staff, who have worked like trojans for the past few weeks, always willing to go the extra mile to improve the experiences our children, a huge thank you. And our PTFA, school wouldn't be the same without you. We had a fabulous party day with fun and games in the hall, hotdogs for lunch and lots of snacks and treats. Oak class thrilled their families with a marvelous production of Goldilocks, well done to all. Willow Class finished the week with their festive Carol Service at Stoke Prior church where they were joined by our choir. A fitting end to our Christmas term.
