## This week at school

The weather has been a little gloomy this week, although we have managed to enjoy some outdoor play when the rain eased off. The school council have met and agreed to use some of their fundraising money to purchase additional play equipment. Mrs Bufton has now ordered these items, and we hope all the children will enjoy them.

We also have a new lunchtime club running on Thursdays. Syb brought the idea to Ms Evans, and this week they held their first session of "Books & Biscuits." Children are invited to come along, read their favourite books, and share stories with their friends.

They would be grateful for any old bean bags or floor cushions you no longer need.

## Next Week

We have a football (Year 6) and netball (Oak class) fixture on Wednesday. Mr Cox will run a session at school for the remaining football and netball after school club. This is of course weather dependent!

## Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress.

We have set our target this year at 97% again, but can we beat last year and get higher?  
Year to date - 96.25%
