This week at school...

The Late Summer Fete is always a highlight of the school calendar. It is so lovely to have an opportunity to welcome pupils and their families, past pupils and members of our community into school. I think we also have to appreciate the work that our PTFA do in organising these wonderful events, and supporting our school. Children and adults alike enjoyed the range of animals that we were able to have close encounters with thanks to Reptomania. Mr Lewis made rather firm friends with a yellow snake called Pikachu. There was the difficult decision to cancel the inflatables due to weather forecast, but there were so many other fun stalls and games, and I think everyone enjoyed themselves. Thanks to the bakers, the bbqers, those who manned stalls, and served teas, it is such a privilege to have you all support us.

There is a tombola prize, which was left behind in school, Mrs L has it in safekeeping.

The weather has been very much on our side this week and we have enjoyed trips to Forest School for KS1 and Willow class, as well as plenty of outside play.

Value of the Month

Creativity

Attendance

Evidence shows that good attendance is a key factor in enabling children to reach their potential. Parents are reminded that they should not book holidays in term time as this has a significant effect on a child's progress.

We have set our target this year at 97% again, but can we beat last year and get higher?
Year to date - 98.2%
