Stoke Prior Primary School

3rd November 2026

Dear Parents and Carers,

We are absolutely delighted to share the official findings from our recent Ofsted inspection with you.

This report is a wonderful reflection of our school community, and we are incredibly proud of the feedback we received. It highlights the hard work of our children, the dedication of our staff, and the invaluable support that you, our families, give to Stoke Prior every single day.

We were pleased that we felt that this inspection really got to know what it was like to be a child in our school. We are particularly proud of how our youngest children settle in quickly and feel secure. We are also proud of the description of our caring and inclusive ethos that is a feature of the children's time at Stoke Prior Primary School.

While we are celebrating these fantastic Strong Standards, we are also focused on our next steps. As noted in the report, we are working to ensure that the high-quality knowledge and skills our pupils develop across our curriculum, are developed through writing in subjects other than English.

Thank you for your continued partnership, trust, and support. We look forward to building on these successes together to ensure Stoke Prior continues to be a safe, happy, and thriving place for all of our children. Building on our school motto of Successful and Proud.

You can read the full report attached to this letter or on our school website.

Yours Sincerely

The Staff at Stoke Prior Primary School

Mr Lewis.
