Sports Premium Funding

The purpose of Sports Premium funding is to improve the quality and breadth of PE school sport and increase participation in both. At Stoke Prior school we have recently committed a significant amount of funding in this area. We have also accessed support from the secondary school specialist sports teacher who has been funded via the Secondary school up until recently.

Our sports premium funding will total around £17000, it been committed in the following ways.

- We have employed a sports specialist coach to deliver high quality sports and fitness lessons inside and outside of curriculum time. Meaning that smaller groups can be taught enhancing the experience. (approximately £14000)
- Remaining monies will be used to help pay for transport to and from Hereford Games and other festivals and events and for this year to help purchase high quality PE and sports equipment for the school.
