

27 March 2020

Dear Parents and Carers,

In light of the current situation and the uncertainty of when the school will resume normal activities, all trips planned for Curriculum Enrichment week commencing 06 July 2020 will be cancelled.

Any financial contributions made will be refunded in full. Our Finance Department will process the refunds as soon as possible, however, given the volume of transactions required this may take some time. Refunds will be made via Parentpay and parents can choose to leave the payment on their account for use in the future if they wish.

We know this will be disappointing for students and we will look to rebook as many trips as possible next academic year.

Kind regards
