

Maths Overview for W/C 22/2/21

Daily Maths will be ...

Complete 5 a day independently

Watch the White Rose Maths video - have a pen and paper and some counters/blocks so your child can complete the challenges. They should be able to do this independently but may need a bit of support to remain focussed. It also helps if you have time for them to be able to talk to someone about the questions asked on the video.

Complete worksheet questions when prompted.

'Problem a day' - optional if your child would like a harder challenge.

Online game - optional, a great way to practise the skills if your child found today's maths tricky.

Spending 5 minutes each day in Numbots will really help your child with their 'automatic' recall of key maths skills.

<https://play.numbots.com/#/account/school-login/24264>

If you need your child's log in details please send me a message and I will send them to you.

Thanks for your supporting your child with learning at home. 😊

Monday - video link <https://vimeo.com/507065512>

Focus: Counting in 2's

(practical activity no worksheet, find things in your house that you can count in 2's. Maybe socks, shoes, maybe 2p coins or make your own groups of 2 using blocks or counters)

I will upload a blank 50 or 100 square so you can colour the pattern of counting in 2's. You can do this online and send me a screenshot if you like by using ...

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares> Choose the paint splat and splat the pattern of 2's.

I have uploaded an optional counting in 2's sheet if you prefer a worksheet task.

Songs: you can sing these songs to practise your counting in 2's

<https://www.youtube.com/watch?v=8nokRGhevCw> - gets faster and faster

<https://www.youtube.com/watch?v=8wwydguSKOU> - practise counting in 2's to 50 and 100.

Online game: Number sequences.

<https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering> - choose sequencing counting in 2's (green buttons)

or you can choose the Chinese dragon version

<https://www.topmarks.co.uk/ordering-and-sequencing/chinese-dragon-ordering>

Tuesday - video link <https://vimeo.com/505658511>

Focus: Counting in 2's

Online game: Songs and activities as Monday.

Wednesday - video link <https://vimeo.com/507067325>

Focus: Counting in 5's

(practical activity no worksheet, find things in your house that you can count in 5's. (count everyone's fingers and toes in 5's or use 5p coins or make your own groups of 5 using blocks or counters)

I will upload a blank 50 or 100 square so you can colour the pattern of counting in 5's. You can do this online and send me a screenshot if you like by using ...

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares> Choose the paint splat and splat the pattern of 2's.

I have uploaded an optional counting in 5's sheet if you prefer a worksheet task.

Songs: you can sing these songs to practise your counting in 5's

<https://www.youtube.com/watch?v=5FaBDqOmiyI>

https://www.youtube.com/watch?v=_awKlEMyleA

Online Game: As Monday but choose the counting in steps button, then choose steps of 5 - red button, take care not to choose steps up to 5 which includes counting in steps of 3 and 4 as well as 5.

Caterpillar sequences: <https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering>

Chinese dragon version: <https://www.topmarks.co.uk/ordering-and-sequencing/chinese-dragon-ordering>

Thursday - video link <https://vimeo.com/507075995>

Focus: Counting in 5's

Online Game: As yesterday

For an extra challenge you could try this game counting how much money in the piggy bank.

Choose counting and single coins to 10p options, now you can practise working out how much money by counting in 1s, 2s, 5s and 10s.

<https://www.topmarks.co.uk/money/coins-game>

Friday- No video today, end of block assessment questions.

Please help your child to read the question but if they are stuck or make mistakes this is fine, then I can see which aspects of this block of work need revisiting.

Focus: Place value within 50 Assessment.

Online Game : Why not spend some time in numbots...
