

Year 1 Essential Maths Skills.

Can you do all of the Year1 Non-negotiable skills, let's give them a go!

I have included sheets for each skill.

Choose which skill to do each day and tick it off.

At the end of the week I will suggest online games/activities that you can play over the summer to keep all your Maths skills up to speed.

If there are any of these skills you are finding tricky I can send you some extra work to help.

Don't worry if some of these skills are still tricky you will go over lots of them in Year 2.

1. I can count forwards and backwards from any number to and past 100.
2. I can count in steps of 2,5 and 10.
3. I can form my numbers correctly. I can read and write numbers up to 100 in digits.
4. I can read and write all number to 20 in words.
5. I can say 1 more than and 1 less than any number up to 100.
6. I know my number bonds to 10 by heart.
7. I can use bonds and subtraction facts up to 20.
8. I can add and subtract 1 and 2 digit numbers up to 20.
9. I can solve multiplication and division questions using objects, pictures and arrays.
10. I can spot $\frac{1}{2}$ and $\frac{1}{4}$ of objects, numbers and shapes.
11. I can recognise and name common 2D and 3D shapes.
12. I can put events in order.
13. I can use the words day, month and year.
14. I can tell the time for o'clock and half past.
