#### General Knowledge Quiz

Our team of Jack Conner, William Monsarratt, Thomas Carter and Lauchlan Hill, took part in the semi-finals of the quiz on Tuesday 3rd May in Richmond.

Having set off after the team, I was surprised to arrive before them. 5, 10, 15 minutes later and I had no team! Just as I was getting worried, 3 team members arrived. But there was no Jack. Having realised we may have to carry on a team member down, thankfully he arrived. Then another team member was taken ill!! It seemed like we were back down to 3 men! However Thomas Bravely rallied himself and with a sick bucket by his feet, we began. After 20 questions (the half way mark) we were positioned 6th out of 8 teams. Slowly we worked our way up the leader board and with 5 questions to go we were 1st! 4 questions we were 2nd, 3 questions back to 1st, 2 questions 2nd again ...... Despite scoring highly on the final question we finished 2nd, only 65 points behind the winning team from York.

Congratulations to all 4 teams members they were brilliant. All the supporters agreed the questions were extremely challenging and that if the team had been made up of adults, we would

not have finished with such an amazing scores of 1815. We are now looking forward to next years competition.

We have Nursery Places available

We have space available in the nursery and because of this children can start as soon as they are 3 years old. They do not have to wait until the term after their birthday and still access 15 hours of free childcare. We are updating our nursery waiting lists so if your child will be 3 in the next academic year please call into the office and leave your details. Please pass this on to any friends who may have young children. If you are thinking about when the right time is for your child to start at our Foundation Stage then please pop in and talk to Louise Challenger our Foundation Stage Leader and she will be happy to show you round and talk to you about our newly developed Foundation Stage Unit.
