## Y3 Trip Danby Moors Centre

31 Year 3's went on an adventure in the Esk Valley to learn more about rivers and the wildlife found in and around them.

During the trip we learnt about; a river's features, invertebrates found in the water and animals adapted to live in water.

Then with this knowledge we created our own invertebrates with all the adaptation needed to survive in the River Esk.

The trip was thoroughly enjoyed by all, even with some wet socks and some dirty knees and that was just Mrs Pickersgill!

### **Year 1 Tag Rugby**

Year 1 enjoyed a great afternoon of tag rugby which was run by specialist rugby coaches. At the end of the session we got to try out our new skills against other schools!

As always the children were beautifully behaved and a credit to the school.

### **Police notice**

We have recently had a meeting with the local Police who have brought to our attention that anti social behaviour has been reported in the Roseberry Estate of Stokesley. The Police are monitoring the situation closely as this behaviour will not be tolerated.

### **Mr Harper and Ms Simpson Wildlife Reserve**

If you have been checking out our website you will have seen a 'watch this space' page. Mr Harper and Ms Simpson have been working very hard and have set up an excellent wildlife reserve; they have planted 13 trees, lot's of shrubs and cut paths through for our pupils to enjoy. This will be an ongoing project over five years and we are all looking forward to the nature and wildlife that are going to come and visit!
