Brains of Britain

An amazing day for Stokesley Primary School. A day to be proud of our school and especially four of our pupils. The day began with a long trip to London and then onto the Old Naval College in Greenwich. A magnificent location and wonderful experience for our pupils.

The quiz began with a rather tentative start—the team actually positioned 12th place after question 1 (we obviously don't teach our pupils enough about Sponge Bob Square Pants). However once the questions changed direction, our boys came into their own. Very nervous parents saw the team creep up the leader board. We were 6th at the half way point and at the end of round one (30 questions) we were 4th. The final 10 questions, which were the most difficult, gave our team the opportunity to shine—we fluctuated between 3rd and 4th place over 9 of the questions, leaving ourselves in 3rd place with 1 question to go! At this point I was so impressed and proud of the team, I felt I might burst. Yet they surprised me again on the final question, securing 2nd place in the NATIONAL FINALS of the GK Quiz. 1800 schools entered the competition and we finished 2nd!!!

Well done to the boys—Jack Conner, William Monsarratt, Lauchlan Hill and Thomas Carter. It was a day to remember and celebrate!

Year 1 Guisborough Forest Walkway

To introduce the topic 'The Enchanted Forest' Year 1 spent the day at Guisborough Forest Walkway. The children enjoyed all kinds of outdoor activities. The day was enjoyed by all, the rain and mud couldn't stop our fun!

Tennis Team reaches the County Finals

On Monday, four of our talented Year 4 tennis players took part in the North Yorkshire School Games, after qualifying in the Thirsk area as champions. This is an amazing achievement reaching the county finals. The children played extremely well and came third in their group just missing out on a place in the play-offs. Well done to Evie Jones, Alex Pennock, Lauchlan Hill and Alex Thomson – we are very proud of you!
