

Friday once more!

This week has flown by and it has been wonderful to feel some heat when we have been out playing in the sunshine. We have been busy planning this year's sports day, which will take a slightly different format, which we think will engage the children and provide spectators with an entertaining morning or afternoon. More to come on this in the next couple of weeks. Year 3 to 6 will have their event in the morning and Kindy, Reception, Years 1 and 2 in the afternoon. We do hope you can attend.

Thinking ahead to after half term, we have several opportunities for our children to shine. One being our annual Poetry Competition, where children are asked to recite a poem and use actions and improvisation to engage the audience. We also have our much-anticipated 'St Peter's Got Talent' where frankly anything goes! Something to be having a think about in the weeks to come.

It is that time of year where we are finalising budgets and making difficult decisions as to where we may need to make cuts or re-think our plans. As you know we have our Building Fund, which, like all Catholic schools in the area, we ask parents to contribute to. This makes a huge difference and helps us to pay the annual £4,600 bill we receive from the Diocese. So far this year we have received £1,340, a big thank you for your generous donations. If you have not already paid a contribution, we ask you to do this by the end of the school year. Our next building project is scheduled to start over the school summer break, alongside the refurbishment of Year 5 classroom, new carpets in Year 1 and 2 and various new windows.

Continuing to highlight areas of our website, I would like to draw your attention to a page on the Parent section titled Coastal Collective. See link below

<https://st-peters-pri.lanes.sch.uk/parents/Coastalcollective>

The Coastal Collective is a charity of which I, and all the local Heads in the Lytham St Annes area, are Trustees. It is funded for the next five years via a generous donation from The Lytham School Foundation. This support is to help the schools support children who have additional needs or may need social and emotional support. This vital funding means that we are able to provide a little more for all our children, as we are able to redirect funds that would otherwise have to be spent on this specialist provision. We feel incredibly privileged and grateful. We are currently waiting for a sensory circuit to be delivered, funded by The Collective, which will benefit all our children.

I may see you at Family Mass at St Peter's on Sunday if not, have a lovely long weekend.

God Bless Mrs G-R
