

### A Busy Week Back After Half-Term!

Welcome back! We've had a wonderfully busy and exciting first week following the half-term break.

#### Reception Farm Visit

Our Reception children had a fantastic time visiting the farm, where they met a range of animals and enjoyed learning all about farm life. The children were full of smiles and stories when they returned. A huge thank you to all the parents who helped with dropping off and picking up – you are fabulous! Your support really helps make these special days possible.

#### Year 6 Residential at Winmarleigh

Year 6 had an unforgettable experience on their residential trip to Winmarleigh Hall. From team-building activities to the high ropes and the giant swing, the children challenged themselves, supported one another, and made some incredible memories. No doubt they'll be shattered after such an action-packed few days – they'll certainly be ready for a good catch up on sleep this weekend!

#### Year 4 First Holy Communion Mass of The Deanery & Picnic

Today, our Year 4 joined other schools from our deanery for a beautiful Mass, where they were greeted by a surprise special visitor – Bishop Paul Swarbrick! It was a truly memorable occasion, followed by a joyful picnic full of fun and friendship.

#### Fylde & Wyre Quad Kids Athletics Competition

We were proud to take part in the Fylde and Wyre Quad Kids Athletics Competition this week. Our pupils showed great sportsmanship, determination, and enthusiasm. It was a fantastic day out with some impressive performances and plenty of team spirit on display.

#### Family Mass at St Joseph's

A reminder that our next Family Mass will take place at **St Joseph's Church this Sunday at 9.15am**. We'd love to see as many families there as possible – all are welcome!

What a week it's been – full of learning, celebration, and achievement. Well done to all our pupils!

God bless  
Mrs G-R

### JUNE

Fri 20 Y2 Martin Mere WWF trip

Fri 20 Krispy Kreme Doughnuts

Thu 26 Y4 Fairhaven Lake trip

Fri 27 Own Clothes Day—Football theme, for Rosemere

Fri 27 Charity Football Aid—in memory of Patrick McCready

### JULY

Tue 1 Y4 RE Day St Bedes

Wed 2 Y3 Brockholes trip

Wed 2 Y5 Science & Tech day St Bedes

Thu 3 Y6 Induction day St Bedes

# SCHOOL LIFE

## School lunches

Please order lunches via Scopay—w.c. 16th  
June SPRING/SUMMER MENU

**Week 2**, please see menu [HERE](#)

## SNACKS AVAILABLE FOR KS2 PUPILS

Brown or White toast	25p
Crumpet	35p
Tea Cake	45p
Orange or Apple juice	50p

## FREE SCHOOL MEALS INFORMATION

All children in Reception, Year 1 and Year 2 are entitled to universal free school meals. However, some families who are on low income and meet a certain criteria, are also eligible for supermarket shopping vouchers during school holidays and free holiday club places. Eligible families will continue to receive free school meals after Year 2.

***Some families with children in Key Stage 1 do not claim as they are already getting free school meals, however they are missing out on the other benefits so please double check.***

Please click on the link below to see if you are eligible. If you are eligible or have any problems please email Katy (Family Learning Mentor) [katy.s@st-peters-pri.lancs.sch.uk](mailto:katy.s@st-peters-pri.lancs.sch.uk) so that your shopping vouchers can be emailed to you asap.

# What Parents & Educators Need to Know about GENERATIVE AI SAFETY

Generative AI tools – such as ChatGPT – are now commonly used by children. In fact, 3 in 4 pupils in the 2024 Annual Literacy Survey reported using generative AI, up from just 2 in 5 the previous year. While these tools can boost learning and creativity, they also raise concerns around misinformation, privacy and overuse. This guide explores the key risks and how to support safe use.

## WHAT ARE THE RISKS?

### MISINFORMATION AND ACCURACY

Generative AI can sometimes produce false or misleading content. Children – and even adults – may assume the information is accurate and trustworthy. This can affect learning and understanding of important topics. It's vital to teach children to critically assess all information, even when it comes from AI.

### EXPOSURE TO INAPPROPRIATE CONTENT

Because generative AI is trained on vast datasets from across the internet, there is a chance it may occasionally generate harmful or inappropriate content. Without supervision, children could encounter disturbing or unsuitable material. Active monitoring and clear usage boundaries can help reduce this risk.

### PRIVACY AND DATA SECURITY

Some AI tools ask for personal details or store users' interactions. If privacy settings are not correctly configured, children's personal data could be exposed or misused. Teaching good digital hygiene and setting strong privacy controls is essential for protecting children online.

### REDUCED CRITICAL THINKING

Relying too heavily on AI-generated responses may reduce children's willingness to think independently. If they consistently use AI to solve problems or complete tasks, it could impact their ability to reason, analyse and form their own ideas. Encouraging thoughtful reflection is key.

### DIGITAL DEPENDENCY

Regular use of generative AI can contribute to increased screen time and less real-world interaction. If left unmanaged, it may affect physical activity levels, sleep, and social development. Striking a healthy balance between online and offline activities is important for wellbeing.

### UNCLEAR ETHICAL BOUNDARIES

Children may not fully understand the ethical implications of using AI to complete homework or creative tasks. This can lead to unintentional plagiarism or dishonest academic practices. Conversations around responsible use and academic honesty are crucial.

## Advice for Parents & Educators

### ESTABLISH CLEAR GUIDELINES

Set clear, age-appropriate rules for when and how generative AI can be used. Reinforce these regularly to help children develop a healthy, respectful and informed relationship with the technology.

### ENCOURAGE CRITICAL EVALUATION

Help children to question the accuracy of AI-generated information and seek out additional trusted sources. This builds essential digital literacy skills and supports better decision-making.

### PROMOTE ACTIVE SUPERVISION

Keep an eye on how the children in your care use AI tools. Check in regularly to ensure they're using them appropriately and be ready to step in if something doesn't feel right.

### ENHANCE PRIVACY AWARENESS

Talk to children about the importance of keeping personal information private. Make sure privacy settings are in place and explain how data shared with AI tools could be used.

## Meet Our Expert

Brendan O'Keefe, Deputy Headmaster and Director of Digital Strategy at Eaton House Schools, has extensive expertise in digital safety, safeguarding, and generative AI in education. As an author and speaker on digital literacy and online safety for institutions such as The National College, Brendan guides parents and educators in creating safe digital learning environments.
