

Dear Parents and Carers,

As another school year draws to a close, I would like to take this opportunity to say a heartfelt and sincere thank you for all your support over the past year. A special mention to all of our volunteers, whether you have listened to children read, helped in Forest School, prepared our grounds for OPAL, or worked tirelessly as part of our fantastic PTFA, your time, care and dedication have not gone unnoticed. Thank you for everything you do – we could not do it without you.

Looking back, it is hard to believe how quickly the year has gone. It has been wonderful to see so many curriculum developments, enrichment opportunities, competitions, educational visits and visitors that have enhanced the children's learning and created lasting memories.

For me, however, the very best part of every school day is the time spent with the children—whether in the classroom, around the school or out on the playground. Listening to them chat with one another and hearing their latest news is always heart-warming and often hilarious! From stories about new kittens, visits from the Tooth Fairy and exciting family adventures to tales of football matches, dance competitions and holidays, there is never a dull moment. Their joy, honesty and enthusiasm are what make St Peter's such a special place.

We are incredibly blessed at St Peter's to have a staff team, and Parish Priest, who care deeply about their work and are wholly committed to the children and families they serve. As Headteacher, this makes what can sometimes be a challenging role an incredibly rewarding one. When you combine such dedicated staff with parents and carers who want the very best for both their children and the school, you create a community where children feel happy, valued and confident to be themselves. They are able to flourish academically, socially and spiritually, developing the knowledge, skills and values that will prepare them for the next stage of their journey.

This naturally brings me to our wonderful Year 6 children, who will leave St Peter's on Friday as they prepare to begin an exciting new chapter in September. They have been a remarkable group from the very beginning, starting as one of our smaller year groups and experiencing the unique challenges of the pandemic during their early years at school, with online phonics sessions becoming part of everyday life. Despite this, they have thrived both academically and socially. As new children have joined the class over the years, they have continued to welcome others with kindness, forming a class that genuinely cares for and supports one another.

They leave us with so many happy memories and have been fantastic role models for our younger pupils. As they pass the baton to our current Year 5 children, there is already great excitement about becoming the oldest children in the school, meeting their Reception 'Seedlings' and taking on the responsibilities that Year 6 enjoy.

To every member of Year 6, thank you for everything you have brought to St Peter's. We are incredibly proud of you. Go forward with confidence, embrace every opportunity and, above all, continue to let your light shine brightly.

Finally, I would like to wish all our families a wonderful, restful and happy summer. I hope the sunshine continues and that you enjoy making special memories together—whether that's at the park, on the beach, in the garden or simply spending time with family and friends. Sometimes the simplest moments become the most treasured.

Thank you once again for your continued support throughout the year. We look forward to welcoming you all back in September, safe, refreshed, and ready for another exciting year of learning together.

God bless and have a wonderful summer.

TERM DATES

FREE SCHOOL MEALS INFORMATION

All children in Reception, Year 1 and Year 2 are entitled to universal free school meals. However, some families who are on low income and meet a certain criteria, are also eligible for supermarket shopping vouchers during school holidays and free holiday club places. Eligible families will continue to receive free school meals after Year 2.

Some families with children in Key Stage 1 do not claim as they are already getting free school meals, however they are missing out on the other benefits so please double check.

<https://www.lancashire.gov.uk/children-education-families/schools/free-school-meals/?page=1>

Important Reminder – Update Your Details

Please ensure the school office is kept up to date with any changes to your contact information, including your address & telephone numbers. It is also essential that we are informed of any new medical conditions or dietary requirements for your child.

If you have any updates, please email the school office at

Battery Recycling available at School

We're pleased to let you know that we now have a battery recycling box located in the school entrance.

Should My Child Stay Off School?

Deciding whether your child should stay home from school can sometimes be tricky. To help parents make informed decisions, the NHS has clear guidance on when children should be kept off school and when it's safe for them to attend. Following this advice helps protect other pupils and staff, while also ensuring children don't miss more school than necessary.

You can read the full NHS advice here:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

THE ONLY COMPREHENSIVE EXAMPLE OF SUCH ACTING GRACE AND VERSATILITY...IS IN THE GOLDEN AGE OF HORRIBLE HISTORIES. YES, THEY REALLY ARE THAT GOOD.
Ed Ravett

★★★★★
Evening Standard

Pinocchio by Carlo Collodi

Children's favourite Gaglietto makes a magical puppet - still making the show for it is about to launch. The puppet seems to advance and evolve, but instead of excitement, only fear and confusion. Concerning hidden dangers, the nature of home, trying to be loved with sympathy and love, his imagination is just beginning. Running away from his world, his world is just a reality. What is the meaning of the world?

Collodi's classic has been translated into over 100 languages since it was first published in 1883. This production has a magical quality of its own. It is a magical production.

The poster features a central blue background with white clouds. At the top, two glowing light bulbs are shown. The 'Mad Science' logo is prominently displayed in the upper center, with 'Mad' in a stylized, jagged font and 'SCIENCE' in a bold, blocky font. Below the logo, the text 'SUMMER CAMPS 2026' is written in large, bold, pink letters. To the left and right of the central text are several inset photographs showing children engaged in various science activities: one group is working with beakers and test tubes, another is looking at a glowing object, and a third is using a microscope. Below the main title, the text 'EARLY BIRD' is written in bold, pink letters, followed by 'DISCOUNT AVAILABLE UNTIL 5TH JULY' in bold, dark blue letters. At the bottom, the text 'BOOK NOW!' is written in bold, pink letters, followed by the website 'northengland.madscience.org' in bold, dark blue letters. The bottom section of the poster is divided into three colored boxes: a pink box on the left, a dark blue box in the center, and an orange box on the right. The pink box contains the text 'PAYMENT AVAILABLE VIA VOUCHERS OR INSTALLMENTS'. The dark blue box contains the text 'FUN PACKED DAYS OF SCIENCE EXPERIMENTS, ACTIVITIES, AND GAMES'. The orange box contains the text 'SPARKING IMAGINATIVE LEARNING!'.

WAKE UP WEDNESDAY—ON-LINE SAFETY

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about

SKIN BETTING

WHAT ARE THE RISKS?

'Skin betting' is the term used when players gamble using virtual in-game items, such as weapon 'skins' or character cosmetics. Although these items appear purely decorative, some can hold significant real-world value. Research suggests that children as young as 13 have engaged in this type of betting, often on sites with limited age checks or safeguards, blurring the line between gaming and gambling.

UNREGULATED PLATFORMS

Skin gambling typically takes place on third-party websites that are not licensed or regulated. These platforms often lack age verification, making them easily accessible to children. By linking their gaming accounts, users can deposit skins, place bets, and withdraw winnings as cash or higher-value items – often without adults being aware these activities are happening.

REAL-WORLD VALUE

Skins may look like simple cosmetic upgrades to in-game items and characters, but some are worth hundreds or even thousands of pounds. They can be traded or sold on online marketplaces, meaning they function much like real money. When young people bet with skins, they are risking items of genuine financial value, even if no physical cash is exchanged directly.

INFLUENCER PROMOTION

Some gaming influencers and streamers have promoted skin betting sites in their content. This can make the behaviour appear normal or even desirable, potentially encouraging younger audiences to engage in these activities without fully understanding the risks involved.

SOCIAL STATUS PRESSURE

In games such as Counter Strike: Global Offensive (CS:GO) and Fortnite, rare skins can act as status symbols. Young players may feel the pressure to own high-value items to fit in with peers. This can lead them to take risks – such as using gambling sites – to obtain desirable skins, similar to how branded goods can influence behaviour offline.

LIMITED OVERSIGHT

Skin betting can take place both in-game and on external websites that parents and educators may not be familiar with. Because skin betting does not always resemble traditional gambling, it can go unnoticed until significant losses have occurred, in both items or money.

GATEWAY BEHAVIOURS

Skin betting mirrors many aspects of traditional gambling, including chance-based outcomes, reward systems and excitement. Early exposure to these mechanics can normalise betting behaviours before children and young people even reach legal gambling age. Research indicates that this may increase the likelihood of developing unhealthy habits later, particularly if early wins create a false sense of control or skill.

Advice for Parents & Educators

UNDERSTAND IN-GAME ITEMS

Familiarise yourself with the games young people are playing and learn whether they include tradable or sellable items. Titles like CS:GO and Rust are known for skin marketplaces, but similar systems are increasingly common across games.

DISCUSS VALUE AND RISK

Help children and young people understand that cosmetic items like skins can carry real-world value. Explain that losing them through betting is comparable to losing money, therefore reinforcing the connection between in-game actions and real financial consequences.

LOOK FOR WARNING SIGNS

Be alert to changes in behaviour, such as secrecy around gaming, a strong focus on acquiring specific skins, or a sudden loss of in-game items. These could indicate involvement in skin gambling and provide an opportunity to start a conversation about it.

USE CONTROLS AND SAFEGUARDS

Make use of parental controls and platform settings to restrict trading, purchases, and access to external websites. Where possible, disable marketplace features on games and monitor young people's account activity to reduce the risk of unauthorised transactions.
