

Another week has passed and even though it was shorter than usual we have managed to pack just as much into it! At least I think we have, as we are all just as tired from all the fun.

It was wonderful to be able to attend church together for our first Whole School mass of the year and our first mass together with Father Peter. We must remember that for our Year One children and Reception children it is their first experience of attending mass with school and only our second mass since the school closures in 2020. It felt really good to be together celebrating with our school and parish family. Father Peter's love of singing shone through and the children really enjoyed the incorporation of singing and signing. The children will become more familiar with the signs as they enjoy their regular class masses with Father Peter in school. Next week, Year 4 will have their first class mass with Father on Wednesday afternoon. Once Father has had the chance to say a class mass in each class we would like to extend an invite to parents/ carers and grandparents to join us for these special, class celebrations.

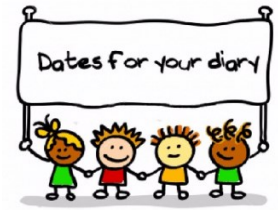

On Thursday I was privileged to join Year 4 as we made a pilgrimage to Lancaster Cathedral to see a relic of St Bernadette. It was very moving to be part of this special event and join with other schools in the Diocese. The children enjoyed the experience and finding out about St Bernadette.

We have been lucky to have been gifted 60 saplings from the Wildlife Trust, which we look forward to nurturing with our children over the coming months. We would be grateful for donations of old plant pots. These need to be around 50cm in diameter and depth, ideally plastic/square/round. We are also appealing for parents/ friends of the school who are gardeners/ landscapers to help us remove the large grasses at the front of the school. If you feel you might be able to help, please pop into the school office or email [bursar@st-peters-pri.lancs.sch.uk](mailto:bursar@st-peters-pri.lancs.sch.uk) Thank you.

I have had such a lovely week and have been able to spend time in most of our classes, which is my favourite thing to do!

Have a wonderful weekend and I will see you all next week for another exciting week.

If you are in receipt of benefits you may be eligible for free school meals, please see further information below.

### **FREE SCHOOL MEALS INFORMATION**

All children in Reception, Year 1 and Year 2 are entitled to universal free school meals. However, some families who are on low income and meet a certain criteria, are also eligible for supermarket shopping vouchers during school holidays and free holiday club places. Eligible families will continue to receive free school meals after Year 2.

Some families with children in Key Stage 1 do not claim as they are already getting free school meals, however they are missing out on the other benefits so please double check.

Please click on the link below to see if you are eligible. If you are eligible or have any problems please email Katy (Family Learning Mentor) [katy.s@st-peters-pri.lancs.sch.uk](mailto:katy.s@st-peters-pri.lancs.sch.uk) so that your shopping vouchers can be emailed to you asap.
